Because there was overwhelming interest in contributing to a Philboard campaign we have created a Phundraiser for those who can and wish to participate. Here are the details/ rules:

1. We will be running a mobile/ static digital billboard campaign, along with a cable TV and radio campaign in Scranton, Wilkes-Barre next week to promote the launch of The Greatest Fraud on Earth.
2. Nick is putting up \$2.5k of his own money. This is more than anyone would spend on a film like this when we have a bunch of free platforms to promote it on. But we want the buzz to be loud in his backyard for several reasons.
3. DO NOT DONATE IF YOU CANNOT AFFORD IT. We are not Phildo and we do not want to hurt anyone beyond their financial means.
4. We are doing this to give those who want to participate in the take down of Phildo but don't have the time or band

Little silver bird tells me Phil is losing some important gigs.... I wonder if it's true. People are talking in the Den about it.

This means a domino effect will happen and this fuck will stop grifting them 401ks away.

Justice smells good this Tuesday evening.

New Exhibit 2: Phil pleads guilty to 8 charges including sexual assault. He convinces minor to not testify. Phil then retracts guilty plea.

He's given corruption of minor charge to plea to. Megans Law passes just shortly after so he didn't have to register.

Phil Godlewsky: Plead Guilty for Corrupting a Minor. In this case found on text record from his victims phone - Phil was incredibly filthy and nasty and fucked her in many vacant homes for sale (he was doing real estate back then).

Pedophile Definition: Someone sexually attracted to minors/ children.

Phil plead guilty to: CORRUPTING A MINOR.

Phil Godlewski is a Pedophile. I repeat - the grifter Q anon wannabe Phil Godlewski is a PEDO.

I think you are a better person than this, there is no reason for fighting between truthers and it only causes people to think twice of trusting any truther. Be a better person and cease bad comments and ridiculing others.

Only demented narcissist Phil Fraudlowskeet would corrupt a minor, have sex with her multiple times taking advantage of her vulnerability, try to bribe her with \$50,000 to say it never happened, and after her refusal SUE HER for testifying under oath that he targeted and sexually assaulted her.

Only a deranged demon would do such a thing. Thankfully, she sued him back, and Scranton times along with Brie don't just have their words, they have the text messages proving it - straight from Phillips texts himself.

What you are watching folks is the finale of the Grift Show... she will take a lot of his wealth, and

We get it. Let it go already. You've proven he's a pedo.

Lawsuits for defamation are very, very serious...

I want to publicly apologize for sharing the
private conversation with Charlie Ward on
this channel.

My originally thought was that the
conversation would show unity amongst
Truthers, in the face of pretenders like Nick
Alvear. I thought solidarity was important to
project onto our following.

I was wrong. Alvear has now defamed
Charlie Ward and continues to disparage
him.

Fear not. Alvear's day is coming.

To Charlie, I'm very sorry. This has been a
trying time for me, and some of my actions
have been unfiltered. Starting today, that
will change.

Please accept my most humble apologies.

Phil doesn't use his brain much. 🤖

He didn't think Charlie would see
that doctored message?

Nothing Phil does is unifying anyone.
He's a scumbag perverted minor
lover pedophile and he still hasn't
sued or filed any lawsuit on me
because when he does he knows
what's next... more and more proof
he's a pedo. So all he does is bark all
day.

I'm confident in this statement

Unmute

WHAT A PHIL THREAT LOOKS LIKE

Does that Pedo-Phil think he's actually good in court.

- He's threatened to sue 30 truthers (for telling the truth)
- He's managed to only sue Scranton and Brie
- He exposed himself by doing so and unleashing the text messages he sent
- He lies about the text but the court stands by them as they are from Verizon
- Verizon was court ordered to give them up, they did.
- Phil was court ordered to give up his phone, he didn't.

That's enough to tell you this sick pig 🐷 is a deranged mentally ill pedo-saurus-rex. Preying on the innocent.

As CEO of Good Lion TV, and co-founder of Ari...

This guy is the biggest lying sack of shit on earth.

I bet some serious amount of money he's tied to child sex trafficking rings in Lahaina and Lake Havasu. The more you learn about the child sex trafficking in those two spots the more dots connect.

Remember Phil text Brie he would kill a puppy for 10 million dollars. 🇺🇸

This is the type of sick person Phil is.

The Philm is coming along, I haven't been served, Phil is a corrupt pedo, and he's probably sucking a dick right now and liking it.

excuse my bad language.
